🐙 <https://github.com/UsmanQasim>

I am a Next/React.js Developer with 2+ years of experience in complex web application development. My skills include creating user-friendly interfaces and reusable components. I have integrated with APIs using asp.net web api. Proficient in modern front-end development tools, version control systems, and agile methodologies. Passionate about building dynamic user experiences and constantly learning new technologies.

EDUCATION

Bachelor in Computer Science,

Arid Agriculture University Rawalpindi
